Hi Viz must be worn as per club rules. Christmas fancy dress is most welcome.

There will be a few cheeky refreshment stops on the way round so please allow a few hours for the ride.

Please let us know you are coming by advising us on Facebook or confirming to Rachel on 07727 086965 so we know to look out for you. If you have registered your interest on Facebook please remember that the ride will only wait for 15 minutes for you to arrive if you have confirmed your attendance; in order to prevent delays and keep the ride safe please update the event on Facebook if you are no longer planning to come.

We will however, give our special tartan ride rosettes to participants for their contribution to keeping bridleways open & the miles will go towards your total to help you achieve a special rosette at next year's AGM.

If you would like to join the ride part way round please contact the club or Rachel directly to arrange. Full fee will still be payable.

Route now confirmed.
