

# Pass Wide & Slow Ride

**SAVE THE DATE**  
**10th MAY 2020**

This year's ride will take place in Slaithwaite. Full route and meeting point still in discussion stage. We will update once finalised. The route will be approximately 3 miles long and will be in walk.

Calling all horse riders, cyclists, walkers etc....

Pole Moor Riding Club are organising a Pass Wide and Slow ride to raise awareness of the campaign to help educate drivers on the best way to pass horses on the roads. This ride will be happening at the same time across the country.

The ride is open to all ages and abilities, and walkers would be most welcome to help with traffic and chat to anyone who asks what we are upto. The ride will consist mostly of roads with the occasional track in between and should take around an hour.

An entry form and disclaimer form will be emailed to those riders participating and you must have your own insurance. No entry fee, just turn up and ride 😊🐾

Please make sure you clean the car park up after you, any queries please get in touch 😊

If you have any questions about the ride please contact Tracey Rust on 07791855419 or message us on Facebook.
