## **IN MEMORY OF LUCY**

Lucy was an inspiration to us all... she did driven dressage in front of HRH Princess Anne and was the gentlest pony when disabled children petted her. In her thirties she was a great companion and enjoyed her retirement till January 2018. Ellie and Tonto are going to mark Lucy working for 20 years with our RDA group by walking out for 20 miles round local tracks and bridleways for your sponsorship. As Dial Wood Carriage Driving also celebrates its 20<sup>th</sup> year this is a great way to start the year off, in her memory, and in appreciation for everything she did for us all.

Want to join us on a walk? Please contact Audrey below.
