

Winter Show Jumping Points League

20th October & 17th November 2019

19th January & 16th February 2020

Woodnook Arena, Meltham, Holmfirth, HD9 4DU. 9am start.

Points will be awarded per class per combination. The horse & rider combination that has accumulated the most points by the end of the league will be awarded the overall league trophy. Points can be accumulated by both members and non members. Each class awards the same points values.

Each combination may only enter two classes per round and classes must be consecutive. If combinations want to enter more than two rounds additional rounds must be entered HC. The lowest height class(es) must be the ones entered HC. Where there are sufficient entries classes will be split into ponies and horses sections. Where classes are split points will be awarded by section not as a class overall.

Points are awarded as follows: 1st place - 10 points, 2nd place - 9 points, 3rd place - 8 points, 4th place - 7 points, 5th place - 6 points, 6th place - 5 points down to 10th place - 1 point. 2 additional points awarded to each combination entered per round.

There will be a clear round before each class which will be open for 10 minutes for anyone wishing to enter who is not competing in the class. Anyone competing in the class can enter clear round and will complete their clear round immediately prior to their class round. Clear round entries not competing in the class must jump before the class starts. Clear round entries for non class competitors will be limited and allocated on a first come first served basis. There will be a maximum limit of 4 clear round entries per combination per round.

All initial rounds will be timed. Only those who go clear will go into a jump off where the combination (s) with the fastest time will be the winner. All combinations with faults will be awarded points in order of least faults followed by fastest time from their first round.
